## "How to Clean Up Your Room Using Magic" (Daffy Dave solo act)

(Appropriate for children ages 3-9+)

After Dave arrives to park, unload and set-up portable sound system (battery powered), prop box, prop bags, and staging area:

### ▶ START THE SHOW!

Children gather to the funny sound of a clown trumpet and with their interested parents they watch the 45-minute Comedy Magic and Juggling Clown Show (theme: "How to Clean Up Your Room Using Magic"). Show is very well-paced, colorful magic and slapstick humor, juggling routines with balls, clubs, and spinning plate, jokes, puns, malaprops, and lively audience participation and interaction. 3 children will be picked from the audience to be helpers at different points in the show. A very funny show with sure-fired amazing magic illusions and juggling feats! Audience usually sits down in front of Daffy Dave and his prop box on some blankets or chairs on the grass.

### ▶ AFTER 45 MINUTES

**Prize Giveaways.** After the clown show, Daffy Dave will pass out Daffy Dave party bags (6-in. x 8 in. yellow, plastic with Red logo) and hand out a variety of prizes to the children including glitter, removable tattoos, glitter smile face stickers, plastic jumping frogs, plastic spin tops, friendship rings and "Daffy Dollars" — souvenir play money that are also discount coupons for the Klutz Store in Palo Alto. This process will accomodate 30 or more children and is done with lots of silly antics by Daffy Dave handing out the prizes to the very eager kids!

### ▶ AFTER 1 HOUR

**Balloon Sculpture Gameshow.** Daffy Dave will keep the children entertained after the prize giveaways by announcing the Balloon Sculpture Gameshow and giving away free balloons (up to 30 plus). Daffy Dave asks kids different questions from Toy Story, Winnie The Pooh, etc and they keep answering one by one until everyone gets a balloon. He writes their names on the balloon and places it in a large clear plastic bag until the end of the show so they won't pop accidentally, etc. The children can choose between a dog, butterfly, airplane, or sword balloon. Each balloon takes approx. 1 minute to make. Lots of interaction and joking around keeps the kids focused, laughing at Daffy Dave throughout the balloon making and game.

### ▶ AFTER 1-1/2 HOURS

Daffy Dave packs up, says good-byes, etc.
