► Daffy Dave CD and Video Sales Profit Sharing

50 percent of all Daffy Dave CD and video sales at your fundraiser will benefit your organization. Must provide table and volunteer to sell merchandise before, during and after performance. Daffy Dave provides table signage, lock-box and cash for change. Daffy Dave will also donate a complete set of CDs/video for a raffle at event, etc.

(A good way to bolster these sales is to advertise prior to the show via organization newsletter, e-mail list, etc.)

► Ticket Sales & Promotion Assistance

Sell tickets in advance and at the door for any Daffy Dave fundraiser show and generate profits for your organization after basic performance fee has been covered. In exchange, Daffy Dave will provide e-mail and postal fan club mailing lists to help promote show, a mini-teaser show at your local school or organization to drum-up ticket sales and promotional photos for advertising purposes.
